Kinson Academy
The best in everyone™
Part of United Learning

Monday 2nd November '26

Dear Parents/Carers,

RE: Design and Technology Food Tasting

As part of our current Design and Technology topic, Year 1 will be exploring a variety of fruits and vegetables and learning how to prepare these safely across the topic. The children will be tasting the fruit, vegetables and the different products they make during our Design and Technology lessons.

Please let me know by Thursday 5th November if your child has any new food allergies or dietary requirements **that are not already on the school system,** so that we can ensure their safety during the tasting activities.

We will also be visiting Tesco to see the different ways in which fruit is stored. This visit will take place during the school day on Tuesday 10th November.

Kind Regards,

Miss Maidment
Y1 Class Teacher

Principal: Michele Lawson
