Kinson Academy
The best in everyone™
Part of United Learning

Thursday 5th November 2026

Dear Staff and Parents,

**RE: Help Shape Our School Values**

We are very excited to be joining United Learning and becoming part of a trust that shares our commitment to providing the very best opportunities for all children.

As part of our transition to United Learning, we are taking the opportunity to review our school values. In particular, we will be looking closely at our character traits and considering how these can be refreshed and updated to reflect who we are as a school community today.

Your opinions are extremely important to us. We want our values and character traits to represent the views, aspirations, and strengths of everyone within our community, including pupils, staff, parents, and carers. By working together, we can ensure that our values truly reflect what matters most to us all.

We would be grateful if you could take a few moments to complete our consultation survey by **Friday 13th November** Kinson Academy values survey – Fill out form

Thank you in advance for your time and support. We greatly appreciate your contribution and look forward to hearing your views.

Kind regards,

Sarah Sargent
Assistant Principal
