Kinson Academy
The best in everyone™
Part of United Learning

Tuesday 3rd November 2026

Dear Parents/Carers,

RE: Year 4 – Lights, Camera, Action! Workshop

On **Tuesday 17th November**, our Year 4 children will be taking part in a *Lights, Camera, Action!* workshop run by Bournemouth University.

During the workshop, the children will work in teams to create their own stop-motion animations using iPads and LEGO. They will explore areas such as games design and computer animation, while also developing their literacy skills. The children will consider what makes a successful story and how scripts and storyboards can help them plan and bring their ideas to life through animation.

Bournemouth University has also provided a consent form for parents and carers who are happy for their child's data to be used as part of the university's research. **This permission is entirely optional and is not required for your child to take part in the workshop.** However, receiving consent will be helpful to the university in supporting its research.

If you are happy to give consent, please complete and return the attached form.

We hope the children have a fantastic afternoon getting creative, working collaboratively and exploring the exciting world of animation!

Many Thanks,

Miss Kesgin

Principal: Michele Lawson
