

Tuesday 3rd October 2023

Dear Parent/Carers

During our PSHRE lessons we have been focusing on the topic of 'Me' which supports your child's understanding and awareness of who they are, who their family is and what makes them special.

To support the teaching of this we would love to create a photo display in class of each child's family. Therefore, please can you send a photo into school either as a photo or by email to the school office kinson@kinson-academy.co.uk with your child and their family. This will be carefully framed and placed on one of our displays in class. This creates awareness and talking points in class for your child along with having the opportunity to enjoy their family photo throughout the school day.

Please can we have your photo by Monday 16th October.

Alongside this your child may have mentioned already that we have a new peacock soft toy in class. The children have each voted to decide on his name and are very excited that 'Pascal the Peacock' will be playing a big part in school life this year for your child. He will be supporting our school mantra of 'High expectations lead to high Achievers' along with supporting the teaching of our school Character Traits: Respect, Tolerance, Teamwork, Resilience, Self-Regulation and Confidence.

To support the behaviour expectations in school and the character traits, each week Pascal the Peacock will go home with a chosen child who has demonstrated the above. There is no pressure to complete any activities with him however if you would like to share a photo, we would love to see some moments captured with your child. These can be emailed to the school office.

As always if you have any questions, please let me know

Mrs Nash
