

Dear Parents/Carers,

On Thursday 5th October, Year 3 will be lucky enough to go on a school trip to Hengistbury Head, for this trip we will be travelling by coach.

The trip is to deepen the learning we have been doing in our Geography topic where we have been learning about human and physical geography and identifying different landforms. The children will be working at the education centre and on the beach completing different activities about coastal erosion and carrying out an investigation to see the effects that tourism has on Hengistbury Head.

To enable this trip to take place we are asking for a voluntary contribution of £6. This payment can be made via Parent Pay.

On the day, children are to arrive at school at the normal time. They will need to wear clothes that you don't mind your children getting dirty. Please ensure that children have a coat with them. We will return to school ready for collection at the normal time.

The children will also require a packed lunch and water bottle. If your child usually has a free school meal or you have already ordered a hot dinner, we will arrange for this to be a packed lunch.

Any questions please feel free to contact me or speak to me at the end of the school day.

Kind Regards,

Miss S Sargent
